

ANNE MORGAN IS COMING TO TULSA

Daughter of J. Pierpont Is Head of Committee on French Relief.

ADVANCE AGENT HERE

Confidence Is Expressed by General Wood That Appeal Will Be Answered.

Mrs. Anne Morgan, daughter of J. Pierpont Morgan, vice president of the American committee for devastated France, and head of the appeal for a week in the United States at the present time, is here on her return to Tulsa next Saturday. Mrs. Morgan will speak at the luncheon of the residents of the chamber of commerce at the Strand Hotel at 12:30 o'clock Friday and is scheduled for a talk before the Y. W. C. A. meeting at the Country Club Friday night. Saturday noon she will speak at the City Hall and Sunday night at the "Civitan" will be exhibited before the public at the high school building. Admission of \$1.00 will be charged for the high school lecture, the money being turned over to the relief committee from Mrs. Wood, in a recent letter to Miss Morgan.

It is felt that our people will respond generously to the appeal for aid and the restoration of devastated France. I know him tremendous and vast. His devastation is and how great a task confronts that brave and much suffering people. I feel sure that America's reply will be as it has been in the past. When suffering humanity has called for help—generous and far-reaching I am, sincerely, with you in all your efforts. The sacrifice of the heroic French people appealed to the world on unequal terms. We have a mandate there which comes from our own conscience.

Sincerely yours,

General Wood.

ASKS DAMAGES FOR INJURY

Man Claims Explosion of Gas at Pump Station Affected Health.

Damages of \$5,000 for personal injuries received in Washington county on a lease owned by the defendant on January 26, 1919, were awarded in a suit filed in district court yesterday by David E. Fletcher against Alfred G. Heggen, James H. Gardner, E. M. Arnold and M. E. Davis.

Alleged he was employed by an agent of the defendants to make repeated visits to a gas engine in a pump station on the lease in August 1918. Fletcher claims the plaintiff had been in poor health ever since and released in the spring of 1919 by a family doctor was treated by Dr. W. Jones, who was badly injured by the explosion, and that the permanent injury which he sustained have disabled him to the extent of 40 per cent.
